**Collaborative Online International Learning (COIL)**

Many COIL structures exist and only the collaborating faculty members can decide how best to design their COIL module. Below are some examples of how COIL modules may be structured.

SDSU Course							
Overview & expectations	Research on target culture	Topical readings	COIL Module (5-12 weeks)				Critical self-reflection
Introduction	Assignment A		Team Building & Developing Trust	Group Projects	Presentations	Reflection	Assignment B
Partner University Course
